

Toronto East General Hospital: Our Promise to Families

We promise that:

Our Hospital has a breastfeeding policy

Our staff will have breastfeeding education

We will talk to you about breastfeeding

We will help you start breastfeeding early

We will help you learn to breastfeed

You will be encouraged to feed your baby breastmilk only

Your baby will always stay with you

You will be encouraged to breastfeed whenever your baby
wants

No bottles or soothers will be given to your baby

You will be given a list of community support groups
